Company Overview

Sabree Software Services, Inc. (S3) is a proven software development services company. Our expertise is building agile-driven, cloud-hosted application and web service solutions.

Mission & Vision

Sabree is Swahili for "one who stands alone". In keeping with the meaning behind our name, the S3 mission is to **STAND ALONE** and **STAND OUT** in service excellence to our customers by providing solutions that are designed to **MATTER** and implemented to LAST.

We achieve this by:

- Providing our end customers with functioning, high-quality, deployment-ready systems.
- Providing our direct partners with the best possible technology solutions and IT resources
- Focusing on Software Craftsmanship
- Adoption and Continuous integration of Best Practices
